

Approved Plants for Homeowner Use in Courtyards

List of plants planted throughout community and available for courtyards:

Copper leaf

Variegated Arboricola

Mami Croton

Sloppy Painter Croton

Petra Croton

Muhly Grass

List of plants for additional courtyard plantings:

Variegated Ginger

Wart Fern

Foxtail Fern

Sword Fern

List of courtyard Trees:

Bougainvillea Tree (Pink, purple, magenta, red, orange, yellow, white)

Jatropha Tree

Pygmy Date Palm

***Homeowners wishing to install additional plants must submit an ARB for approval in advance of commencing the work. Plants will be considered based upon their level of maintenance, fertilization, sun/shade tolerance, location, level of invasiveness, life span, and size. Plants should be planted by a landscape professional to warranty the plantings.

***Homeowners wishing to have additional potted plants or hanging baskets may place those in courtyard areas, shrub, or tree beds. Potted plants are the responsibility of for care by the homeowners, not the landscaping service. If potted plants become unsightly the landscape service has been instructed by the Board to remove them. The homeowner assumes responsibility to take care of the potted or hanging baskets.
