

Approved Plants for Homeowner Use in Courtyards

List of plants planted throughout community and also available for courtyards:

Copper leaf

Variegated Arboricola

Mami Croton

Sloppy Painter Croton

Petra Croton

Muhly Grass

List of plants for additional courtyard plantings:

Variegated Ginger

Wart Fern

Foxtail Fern

Sword Fern

List of Courtyard Trees:

Bougainvillea Tree (pink, purple, magenta, red, orange, yellow, white)

Jatropha Tree

Pygmy Date Palm

*** Homeowners wishing to plant additional plants may submit an ARB. Plants will then be considered based on level of maintenance, fertilization, sun/shade tolerance, location, level of invasiveness, life span, and size. Professionals at Gulfscapes will also guide selection. Plants are to be purchased through Gulfscapes and planted by Gulfscapes. Therefore, these plants will be maintained under contractual guidelines and obligations between GulfScapes and Club Homes 1.

***Homeowners wishing to plant additional plants in pots to be cared for by the homeowner do not need to submit an ARB for pots.
